Session Descriptions and Pricing

Traditional Family \$200

The session includes up to 60 minutes of my creative services for your family's portraits. The aim of the session is to capture images of the family (up to 5 people), the children as a group, parents as a pair, and individual pictures of each child. If time allows, I may also snag some other groupings! The session fee includes your purchase of 15 digital files of edited images which you select from your gallery on the Catch & Release website. Additional people and pets can be added to your session; see the Further Pricing section below for details. 10% discount for K-12 teachers, USD faculty, and USD staff.

Upon request, Mini Family sessions (30 minutes of shooting time and 5 digital files) available for \$100.

3P Headshot \$60

Some need a headshot for professional purposes; some need a headshot for personal reasons, and some need a headshot simply for posterity. In this 30-minute session, I'll help you present your best self for whatever your needs are. The session yields 3 digital files. 10% discount for K-12 teachers, USD faculty, and USD students.

Traditional Baby \$150

If you are looking for pictures of your baby (newborn - 1 year) before the baby days are gone, this is the session for you. Please see my portfolio for the style of images I get in these sessions. I use natural light and will try for a mixture of some sleeping poses and some wakeful ones, too; but who knows? Babies call the shots in these sessions! This session includes an hour of my creative services to take pictures of your baby and results in 10 digital files. 10% discount for K-12 teachers, USD faculty, and USD staff.

Senior Session \$220

And just like that, graduation is around the corner! Mark the memory of this milestone with this 90-minute outdoor session. We'll take a wide variety of shots with clothing and location changes as time allows. In the end, you will have a large gallery of images to choose from. Session fee includes 15 digital files.

Happy Birthday! Cha-cha-cha! \$100

I'm guilty of it, too. A child's birthday rolls around and I think, "Where did the year go?" Portraits of your child are a great way to mark a milestone, and what better time than around a child's birthday? This session includes 30 minutes of my creative services for one child. The session fee includes 5 digital files of edited images. 10% discount for K-12 teachers, USD faculty, and USD staff.

Just the Kids, Please \$125

They grow so fast! If you haven't had professional portraits of your children recently, this is a great session for you. This session includes 30 minutes my creative services for 3 children. The session fee includes 7 digital files of edited images. 10% discount for K-12 teachers, USD faculty, and USD staff.

Just Us, This Time \$100

Whether it's an engagement, an anniversary, or if you want to snag the moment before you get any older, this couples' session will fit the bill! This 30-minute session for 2 adults will yield 5 digital files including couples poses and, if desired, some individual poses as well. 10% discount for K-12 teachers, USD faculty, and USD staff.

Custom Sessions Available

If you are looking for multi-generational, or other special sessions, please contact me for pricing.

How Does It Work?

I will meet you and your family at an agreed upon time and location in the Vermillion area. Session payment is due in full at the beginning of the session. After your session, I will edit that which I believe are the best shots and make them accessible to you in a private gallery on the Catch & Release website. From these, you will select the images to fulfill their session package. Selected digital files are made available for download from the Catch & Release website. Please note the number of digital files included in the purchase of your session package. Purchased digital files include print release.

Further Pricing Information

6.5% sales tax applies to all fees and sales.

Additional persons or pets can be added to your session for \$25 each.

In all sessions, additional files can be purchased for \$10 each.
